Applicable EU Directives

- Low Voltage Directive (2014/35/EU)
- Electromagnetic Compatibility Directive (2014/30/EU)
- RoHS Directive (2011/65/EU)

Statement of Conformity

We hereby declare, under our sole responsibility, that the product identified above — Hydrogen Inhaler Machine, Model IH-FC00002 — is in conformity with all applicable **health, safety, and environmental protection requirements** of the following EU harmonisation legislation: Low Voltage Directive 2014/35/EU, Electromagnetic Compatibility Directive 2014/30/EU, and RoHS Directive 2011/65/EU. This declaration is issued in accordance with **EU Regulation 2019/1020** on market surveillance and compliance of products, and **Decision No 768/2008/EC** on a common framework for the marketing of products, under the sole responsibility of **Inhale H2 Ltd.** The product complies with the harmonised standards referenced above. The technical documentation is maintained at the manufacturer's registered address and will be made available to competent national authorities upon request.

The CE marking indicates that this product conforms to all applicable EU directives and harmonized standards. This declaration remains valid as long as the product design and technical parameters remain unchanged. Any modification not agreed upon by the manufacturer will render this declaration void. Other relevant Directives must be observed.

Signed for and on behalf of:
